Finishings and materials

Made of durable and top-quality stainless steel, the flatware collections designed by La Tavola are naturally crafted for lasting. Creating beautiful pieces of cutlery is an art, and we have been doing it for generations: choosing our flatware means relying on our expertise.

The signature stainless steel flatware collections by La Tavola come in Mirror, Brush and Satin finish: three simple twists that effortlessly add value to each line.

To satisfy the search for a sophisticated yet timeless allure, we keep providing customers with classic Silver-plated pieces of cutlery available in Satin finish or plain mirror finish.

Communicate your style and firm personality with the Titanium and PVD coating applied on our flatware lines: Gold for a bold presentation, Black for a detail-oriented style, Venetian Gold for everlasting romance and Platinum Champagne for unprecedented elegance.

A touch of unicity that won't remain unnoticed.

Our quality Rétro finish is the vintage detail that will turn any room into a cozy place to be: old but gold.

A polished European-style cutlery that won't cease to amaze; have them Titanium and PVD coated in Venetian Gold, Platinum Champagne, Gold or classic stainless steel.
